The sum allocated for the implementation of this programme shall be U.S. \$ 60,000 which will be deducted from the total sum of \$ 1,550,000 and will be forwarded to the NTOG office in New York for this purpose. At the end of the year the Director of the NTOG office N.Y. who will be responsible for allocating the above sum will submit all necessary documents to the appropriate department of the NTOG Head Office for clearance according to the official NTOG procedure.

The NTOG reserves the right at its full discretion to alter, within the agreed sum, mentioned below at any time during the course of the present contract, the advertising media used for the implementation of the above mentioned programme. This includes the right to increase or decrease the number of advertisements in any one of the media. Such modifications to the programme can take effect, either upon the proposal of the Company, which will give its reasons for the need to alter the programme, though this will not be binding upon the NTOG, or upon the initiative of the NTOG. Such modification is independent of what is foreseen under Para. 5 of the present contract.

2. DURATION OF CONTRACT

The duration of the present contract is agreed and concluded from the 1st of January 1984 to the 31st of December 1984. Performance of the agreed work shall be carried out by the Company within the said period and in accordance with guidelines, given each time, by the NTOG to the Company by relative written notification to this effect.

3. PROHIBITION OF UNDERTAKING A COMPETITORS ACCOUNT.

As from the date this contract comes into force and until its expiry, the Company is obliged to discontinue and is forbidden to undertake advertising or public relations programmes on behalf of other State or semi-governmental Tourist Organisations of Mediterranean countries or countries bordering on Greece.

4. EXTENT OF EXPENDITURE AND IMPLEMENTATION OF THE ADVERTISING PROGRAMME.

It is agreed that for the implementation of the advertising programme, as approved by Decisions Nos 877/83 & 290/84 of the NTOG Administrative Board, a total sum up to \$ 1,550,000 from which \$ 60,000 will be allocated by our office in New York for ethnic media advertising shall be allotted by the NTOG. All relevant expenses shall be incurred according to the approved programme, and will be payable by the NTOG after the corresponding work has been performed by the Company, under the following conditions:

The "Company" undertakes to submit to the NTOG for approval, one month in advance of publication, posting or broadcasting, all final proofs and artwork and layouts as well as copies of advertisements, posters, brochures, etc., including the texts relating to these, in duplicate. The originals shall be returned to the Company, after approval by the NTOG while the duplicate copies shall be filed by the competent NTOG section. It is up to the Company to enter into contracts with any third party in connection with the execution of the present contract for the advertising programme and the NTOG accepts no commitment, obligation or responsibility for such contracts towards third parties. The cost of any advertising activity carried out by the Company prior to signature of the contract will be payable by the NTOG only if it is mentioned in the advertising programme submitted by the Company in its final proposals, which, after the NTOG approval, consists an inseparable part of the present contract. The NTOG will not recognise any other advertising activity by the Company beyond the aforementioned programme.

5. PROGRAMME RESTRICTION OR PROGRAMME ANNULMENT DUE TO FORCE MAJEURE

Should the Greek Government reduce or withdraw the NTOG's credits for advertising, the NTOG reserves the right to advise the Company regarding cancellation of all or part of the advertising media and of the commitments undertaken by the Company and, in general, regarding curtailment or total cancellation of the agreed advertising programme. In such a case, the NTOG agrees to compensate the Company for all the advertising media and obligations the Company has assumed and which, in the NTOG's judgement, could not be cancelled on the day when the written notification from the NTOG was received regarding the aforementioned reduction or suspension of the advertising programme.

6. JOINT ADVERTISING CAMPAIGNS

Any sum required for NTOG participation in joint advertising campaigns in U.S.A. and Latin America with any third party (State organisations or private firms), having either the same or a different objective to that set for the Company, shall be allocated by the NTOG over and above the budget made out for the present contract.

The NTOG shall be free to act thus, irrespective of the present contract. The NTOG will recommend use of the Company's services for any such joint advertising but, in cases where the co-advertiser prefers to use another advertising firm and it is decided to do so,

the NTOG shall carry no responsibility towards the company which will be expected to cooperate with the other advertising firm should the NTOG ask for such cooperation.

7. ADVERTISEMENTS NOT FORESEEN BY THE PROGRAMME

The NTOG reserves its right to proceed with additional advertising, beyond that foreseen by the approved programme of the Company, without the Company's mediation. In this event, the Company shall place, if requested, at the NTOG's disposal, free of charge, production material from the material that already exists. The NTOG will only be responsible for payment of any additional actual expenses which may occur in production (paragraph 9 of the present contract).

8. REMUNERATION OF THE COMPANY

The Company's remuneration for carrying out the advertising programme shall consist of the commission it will earn from the advertising media (daily and periodical press, television, radio, display of posters etc.). The Company will also receive a 15% commission on its expenses for production, as described in detail under paragraph 9 of the present;

In the event that the Company undertakes additional advertising activities, not mentioned in the advertising programme, it is entitled the above mentioned remuneration minus the 15% commission on the printing expenses. Invoices submitted by the Company will be settled by the NTOG-provided they agree with the official price lists given by the advertising media, the Company being responsible for submitting these price lists to the NTOG.

9. PRODUCTION COSTS AND MATERIAL

Advertisement production costs shall be settled by the NTOG according to the Company's detailed invoices.

Exception is made for costs relating to the writing of texts and artwork for which the Company is not entitled to payment from the NTOG, as explicitly stated in the present, except in the case it undertakes additional advertising activities, not mentioned in the advertising programme.

Expenses incurred from the despatch of tourist material on account of the NTOG, such as cliches, photostats, taperecordings etc., will be charged to the NTOG as above but without the Company's right to any commission thereon.

The Company undertakes the obligation to submit to the NTOG official copies of all supporting documents for payments to third parties in connection with the NTOG advertising programme. In cases that the above is impossible, it shall submit to the NTOG authenticated photocopies of the necessary documents.

Except for the cases explicitly mentioned in the present contract, the NTOG shall not bear any costs whatsoever in connection with the performance of the advertising programme. All printed and photographic material to be produced, forms NTOG property and will be handed over to it by the Company at the time when the contract expires, less such normal wear and tear as there may be.

10. SETTLEMENT OF ACCOUNTS

The NTOG shall deposit the amount shown on the Company's invoices with the Bank of Greece for forwarding to Marine Midland Bank Lith and Madison Avenue New York (No 01772044-3) for the Company's account, not later than 90 days from the date of receipt by the NTOG of the relevant invoices and the necessary supporting vouchers and other documentation.

11. COMPANY REPRESENTATIVE

The Company accepts as part of the work entrusted to it under the present contract that it will render accessible to the NTOG contact with an experienced member of its staff, specialised and legally authorised to discuss the advertising programme with NTOG representatives and to take decisions binding on the Company.

The Company representative will visit the NTOG Head Office in Athens, whenever it is decided at the NTOG's discretion, that it is necessary, and in any case whenever it is requested by the NTOG. Expenses incurring for the visit of the Company representative to Athens will be borne entirely by the Company.

The NTOG shall be entitled to seek the advice of the aforementioned Company representative even on matters of advertising subjects related to his country and not necessarily connected with the advertising programme being carried out by the company.

12. REPORTS

The Company shall submit to the NTOG twice a year reports on the progress and results of advertising activities effected by the Company.

The Company shall also submit, from time to time, informative reports on all matters which it judges might be of interest for the promotion of the NTOG.

There will be no charge whatsoever to the NTOG for such reports as they form part of the services offered by the Company.

13. PROGRAMME FOR THE NEXT ADVERTISING PERIOD

The Company shall submit without any financial charge to the NTOG prior to June 15, 1984, its advertising proposals regarding the advertising campaign for the coming year. Presentation of those proposals shall not in any way bind the NTOG. The proposals in question shall form the Company's property, in the event that the NTOG might decide to work with another company for the year 1985.

14. RIGHT OF DENUNCIATION

The NTOG is entitled if, at its entire discretion it considers unsatisfactory the Company's fulfilment of its obligations, to denounce at any time the present contract, by written notification and without incurring any payment, in which case the contract is considered as having expired ipso jure without need for any other procedure beyond serving such notice. It is clarified, however, that even after possible expiry of the contract, after its denunciation, the contracting parties are under obligation to carry out all their obligations arising out of the present contract (including their commitments for advertising space and dates as well as for production expenses) which they may provenly, according to officially documented evidence, have undertaken up to the date when the Company was notified of the denunciation. In such a case, the Company shall be entitled to all expenses it will have incurred up to the said date, including its commission, as per Para. 8 of the present.

15. ARBITRATION

Any difference and dispute about the interpretation and implementation of the present contract as well as any demand or claim on each of the contracting parties that may arise from it, shall be solved by the Greek Court of Law. The contracting parties recognise and accept the Greek Court of Law as having full jurisdiction to judge the aforementioned differences or disputes. The NTOG, as litigant, prosecutes or is prosecuted in the Greek Court of Law according to the Greek Law which is the only law applicable in every case. Should there arise any difference from the wording between the Greek text and the English translation, the Greek text prevails.

The present was composed in the Greek and English languages, in two copies of each language, was signed by the contracting parties and each received one copy in each language.
